INSTRUCTIONS TO INSTALL BIODANZA PLAYER WEB

1. Download the folder BIODANZA PLAYER WEB.zip on your device.

2. Unzip the above folder[1]. You must have the following:

- EXPORT-IMPORT

- images

- MUSICA DE BIODANZAYA (containing 1576 songs)

- NEW MUSIC

- VIDEOS DE BIODANZA (containing 98 videos)

- BPW.html

- createpopulatedb.js

- stylesBPW.css

- script.js

3. Double click on the BPW.html file to start the program.

NOTE1: If your device is mobile (phone or tablet), you may need to previously download an HTML reader (for more details, see the User Manual).

NOTE2: To make it easier to start the program, on Windows computers, you can create a shortcut, on the desktop, of the BPW.html file. On Apple computers, you can create an *alias* of the BPW.html file, with the same effect.

---

[1] You can use, for example, the free 7-Zip program and *Extract Files*.
